

2018 Data and Graphics Question 1

Let's start with personal priorities. As you know, different people may have different personal priorities at different times in their lives. I would like to list several possibilities for you—and please tell me which one is your top personal priority these days, or if there is a different top priority you'd name instead.

2018 Data and Graphics Question 4

In the current situation, would you or would you not like to see Israeli companies offer more jobs inside the West Bank and Gaza? Definitely, or just probably?

Yes, probably	27%	46%	46%	39%
Probably not	38%	11%	17%	22%
Definitely not	26%	18%	21%	22%

2018 Data and Graphics Question 5

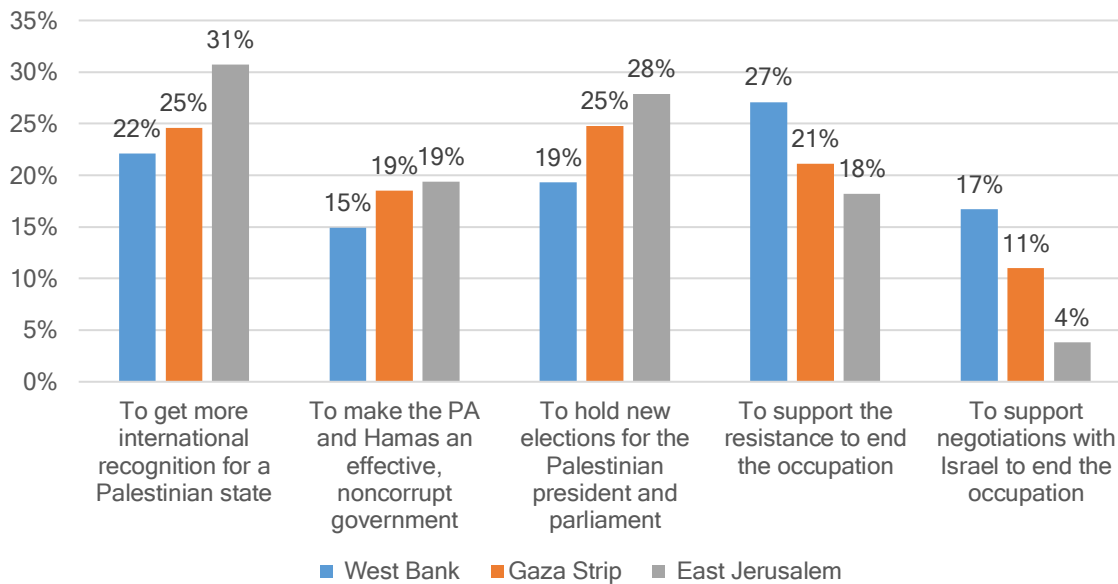

In the current situation, some people say it would be a good idea to accept to a temporary agreement, in which Israel would withdraw from part of the West Bank, but without settling all the other issues in dispute. Other people say no, on the contrary, a temporary and partial agreement would be a bad idea, because all issues must be resolved for any agreement with Israel. Which view is closer to your own opinion? Is a temporary and partial agreement:

2018 Data and Graphics Question 14

Now, speaking about Israel, what one action do you think it could take to best convince the Palestinians that it really wants peace and a two-state solution? Let me read you a short list of possibilities, and please tell me which one would be the most important in your own opinion.

	West Bank	Gaza Strip	East Jerusalem	Total
Israel should declare its willingness to share Jerusalem as the capital of Israel	11%	16%	9%	12%
Israel should stop building in settlements beyond the wall.	23%	24%	27%	25%
Israel should build a highway that Palestinians can use to drive through the West Bank from north to south (bypassing	25%	20%	19%	21%
Israel should stop violence or aggressive behavior by the settlers.	25%	16%	23%	21%
Israel should free more Palestinian prisoners.	17%	18%	21%	19%
No opinion	0%	6%	1%	3%

2018 Data and Graphics Question 15 (asked in modified version in East Jerusalem, 2010, 2011)

As you know, states offer their citizens certain rights, and also require certain responsibilities from them. Let's suppose that there's an agreement on a two-state solution for Israel and Palestine, and you could choose your citizenship. Would you choose to be a citizen of a future Palestinian state, with equal rights and responsibilities with its other citizens, or a citizen of Israel, with equal rights and responsibilities with its other citizens?

	West Bank	Gaza Strip	East Jerusalem	Total
A citizen of the Palestinian state, with equal rights and responsibilities with its other citizens	68%	85%	95%	82%
A citizen of Israel, with equal rights and responsibilities with its other citizens	22%	11%	1%	12%
Refuse/don't know (don't read)	10%	4%	4%	6%

2018 Data and Graphics Question 16 (2017 trend questions)

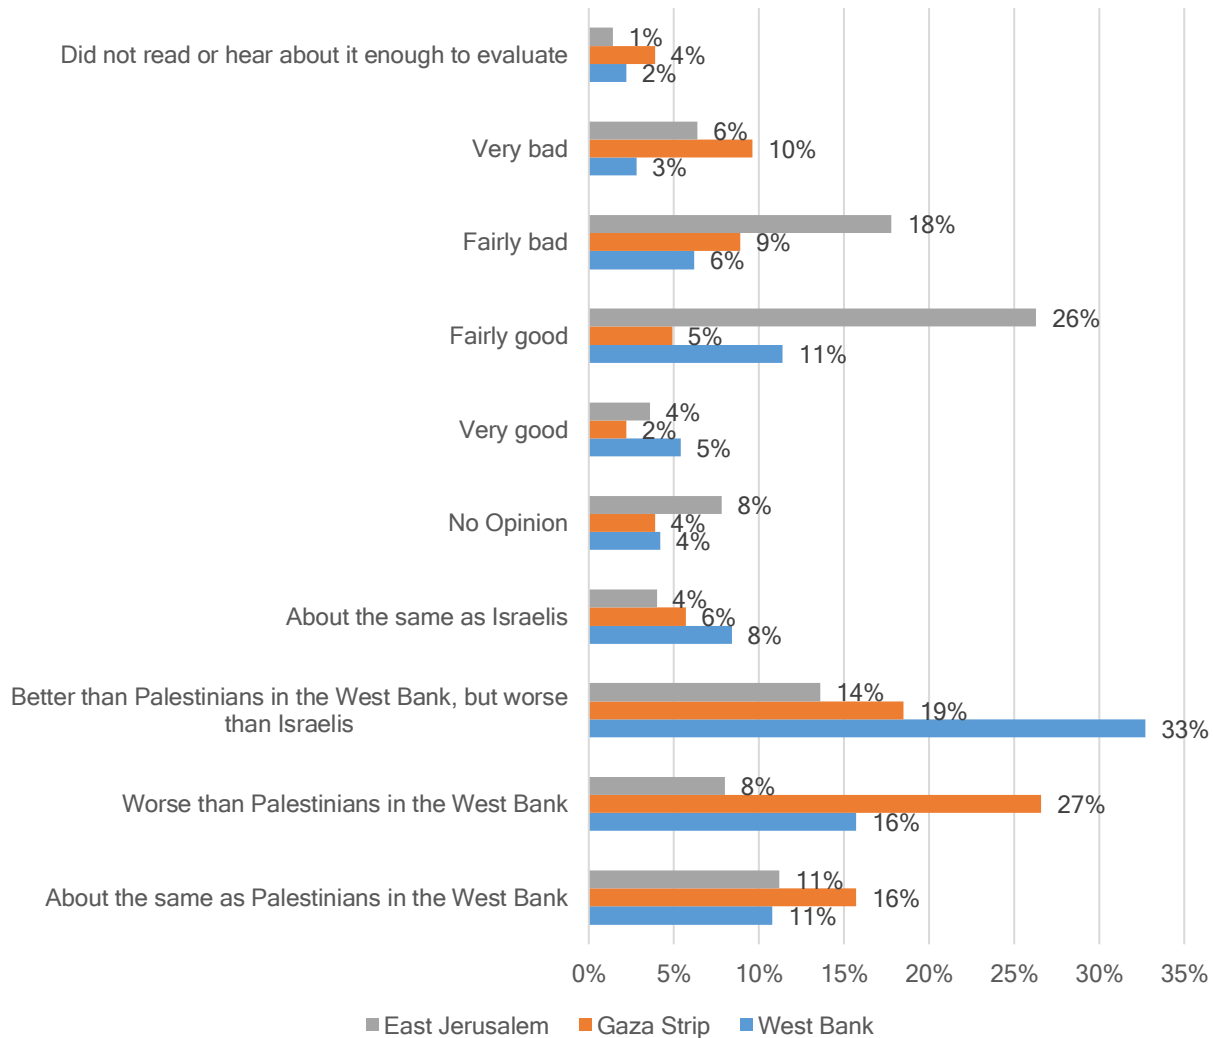

Turning to the West Bank, and looking toward the next few years, which one of the following do you think is the most likely future for the PA and people there?

	West Bank	East Jerusalem	Total
The PA will remain in power more or less as now, regardless of who leads it.	20%	29%	25%
The PA will weaken to the point that there will be real anarchy in the West Bank.	33%	24%	27%
Local leaders in different cities will take over more legitimacy and power.	14%	17%	16%
Hamas will greatly strengthen its presence and power in the West Bank.	12%	14%	13%
Israel will take over more control in the West Bank, at the expense of all Palestinian parties.	20%	11%	15%
Refuse/don't know (don't read)	1%	6%	4%

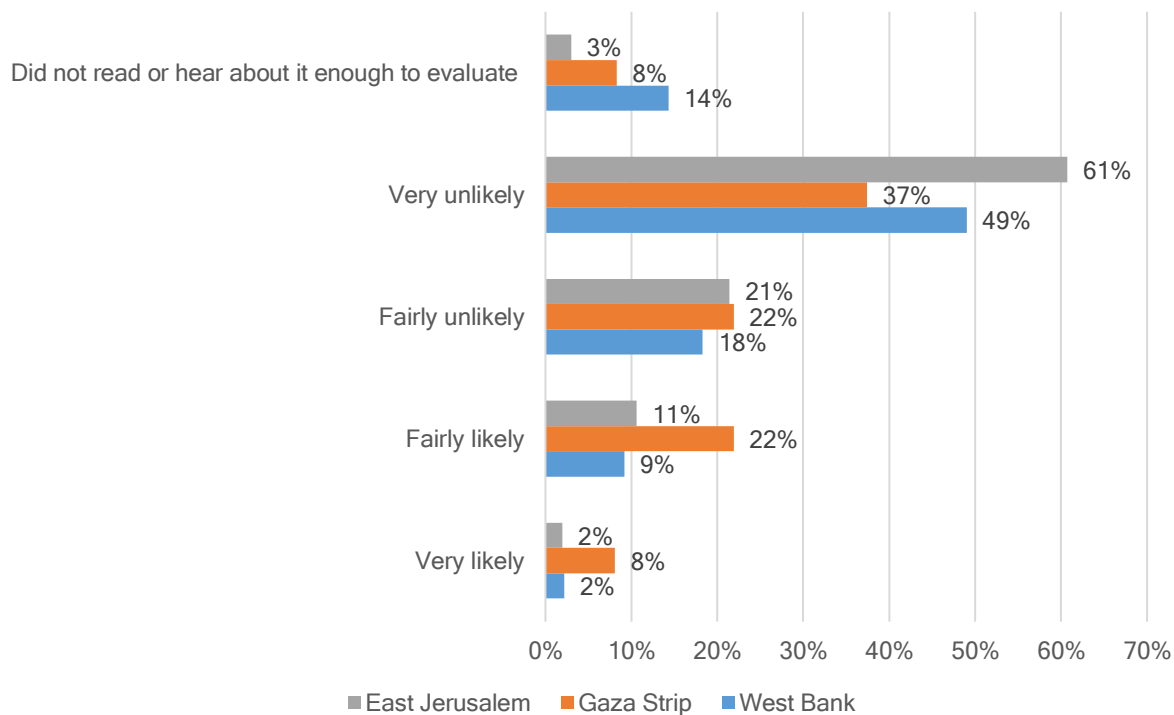

Let's talk specifically about the Palestinians living in Jerusalem. Overall, do you think their lives are:

	West Bank	Gaza Strip	East Jerusalem	Total
About the same as Palestinians in the West Bank	11%	16%	11%	13%
Worse than Palestinians in the West Bank	16%	27%	8%	17%
Better than Palestinians in the West Bank, but worse than Israelis	33%	19%	14%	22%
About the same as Israelis	8%	6%	4%	6%
No Opinion	4%	4%	8%	5%
Very good	5%	2%	4%	4%
Fairly good	11%	5%	26%	14%
Fairly bad	6%	9%	18%	11%
Very bad	3%	10%	6%	6%
Did not read or hear about it enough to evaluate	2%	4%	1%	3%

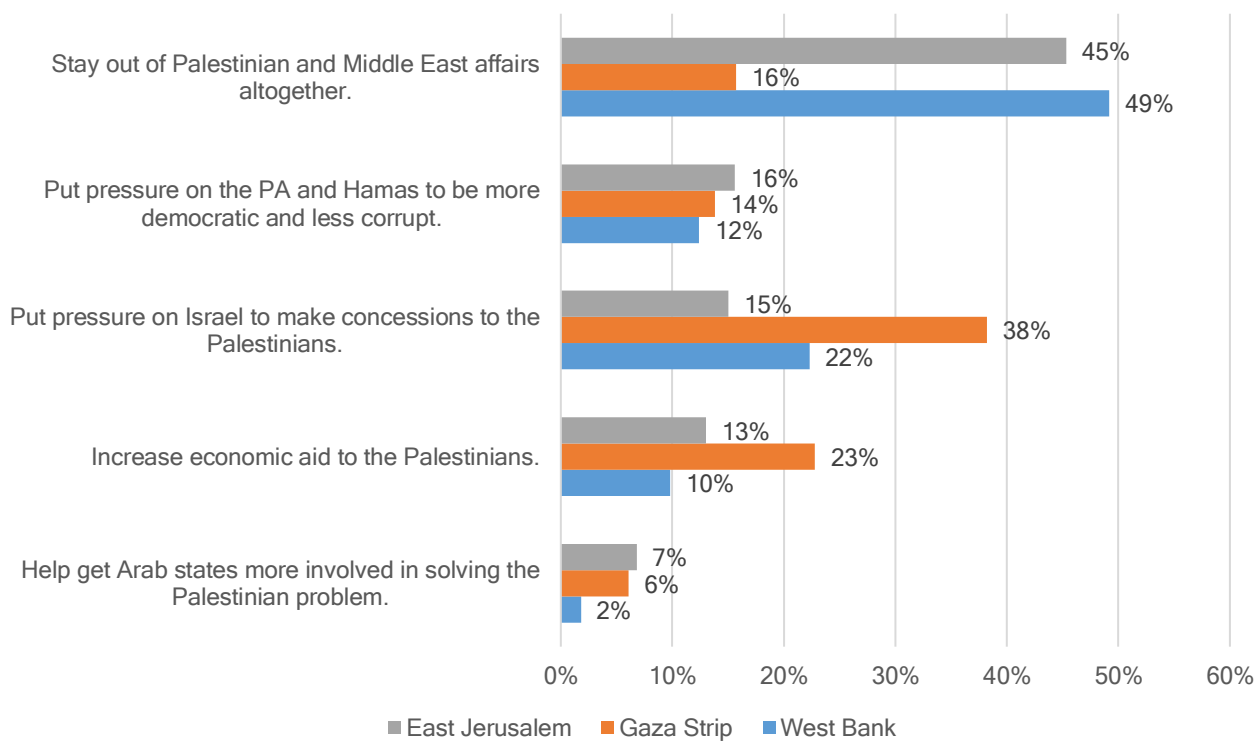

And regarding the Palestinian issue, how likely do you think it is that U.S. president Trump will make a serious effort to help solve the Palestinian problem: very likely, fairly likely, fairly unlikely, or very unlikely—or haven't you heard or read enough to evaluate?

	West Bank	Gaza Strip	East Jerusalem	Total
Very likely	2%	8%	2%	4%
Fairly likely	9%	22%	11%	14%
Fairly unlikely	18%	22%	21%	21%
Very unlikely	49%	37%	61%	49%
Did not read or hear about it enough to evaluate	14%	8%	3%	9%
Don't know/refuse to answer	7%	3%	2%	4%

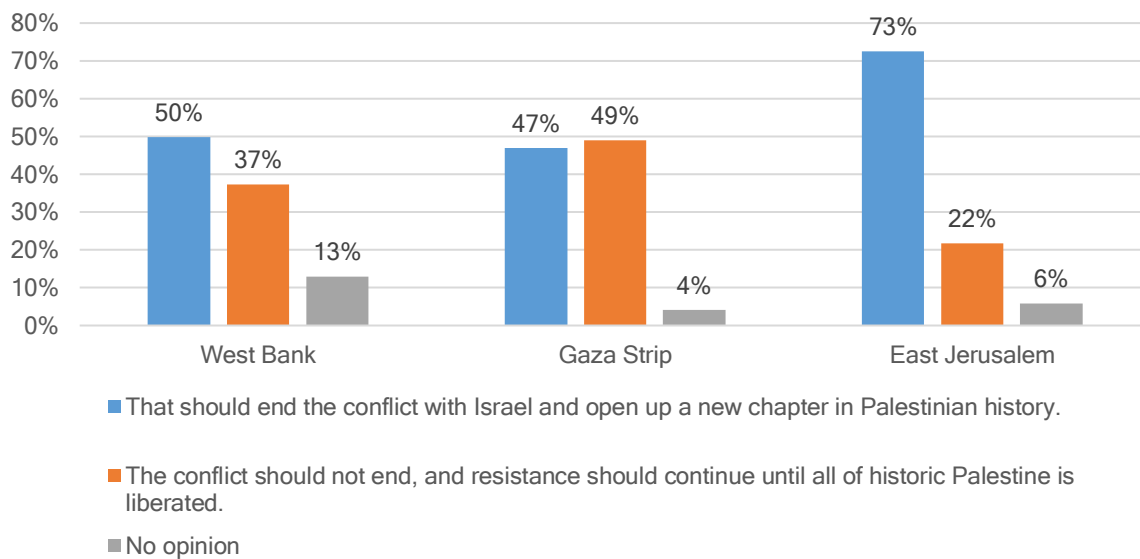

Now, if there's one thing you'd most like the U.S. to do about the Palestinian issue these days, would it be:

	West Bank	Gaza Strip	East Jerusalem	Total
Help get Arab states more involved in solving the Palestinian problem.	2%	6%	7%	5%
Increase economic aid to the Palestinians.	10%	23%	13%	15%
Put pressure on Israel to make concessions to the Palestinians.	22%	38%	15%	25%
Put pressure on the PA and Hamas to be more democratic and less corrupt.	12%	14%	16%	14%
Stay out of Palestinian and Middle East affairs altogether.	49%	16%	45%	37%
Don't know/refuse to answer	4%	3%	4%	4%

And if the Palestinian leadership is able to negotiate a two-state solution with Israel, do you think:

	West Bank	Gaza Strip	East Jerusalem	Total
That should end the conflict with Israel and open up a new chapter in Palestinian history.	50%	47%	73%	56%
The conflict should not end, and resistance should continue until all of historic Palestine is liberated.	37%	49%	22%	36%
No opinion	13%	4%	6%	8%

2018 Data and Graphics Question 21

Now, in the short run, there are different views about the approach Palestinians should take toward Israel these days. I will read you four different ideas about that, and please tell me which one comes closest to your own view.

	West Bank	Gaza Strip	East Jerusalem	Total
Palestinians should escalate the resistance against Israel, even if that makes life harder right now.	25%	35%	15%	25%
Palestinians should negotiate the best political deal they can with Israel now, even if that requires some compromise.	26%	30%	29%	28%
Palestinians should focus more on practical issues of daily life, even if that leaves political problems unsolved.	21%	20%	33%	25%
The current situation is preferable to any of those other options, even if things are not great right now.	27%	11%	19%	19%

2018 Data and Graphics Question 22

And in the long run, which one of the following do you think is the most likely eventual outcome of the Palestinian-Israeli conflict?

	West Bank	Gaza Strip	East Jerusalem	Total
Eventually, Israel will control almost all of Palestine, because of its power and foreign support.	20%	14%	3%	12%
Eventually, Israel and the Palestinians will reach a political compromise to divide the land and live side by side.	18%	27%	23%	23%
Eventually, the Palestinians will control almost all of Palestine, because God is on their side.	32%	43%	50%	42%
Eventually, the Palestinians will control almost all of Palestine, because they will outnumber the Jews someday.	24%	11%	16%	17%
No opinion	6%	6%	7%	6%

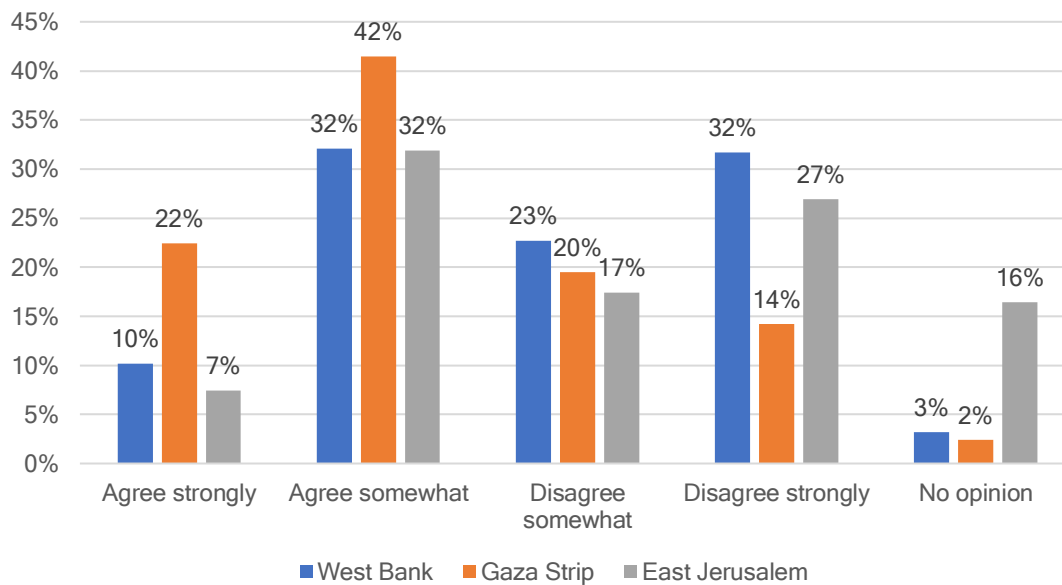

2018 Data and Graphics Question 23
